SUMMARY: On December 10, 1998, City Council approved a request by Laser Dome for a use permit to allow a 9,140 s.f. arcade (laser tag games) business in the PCC-1 Zoning District located at the southeast corner of Rural and Elliot Roads. As part of that approval, the applicant was required to return to City Council for review of compliance with conditions within two years. Since the use permit for laser tag arcade was approved in 1998, Police Department and Development Services staff have received no complaints. Therefore, the Police Department has issued an automatic Security Plan extension. Staff received a call from a resident supporting this request indicating that the laser tag arcade has been a good entertainment for the neighborhood kids. Staff feels that the two-year time period is no longer necessary. Other conditions listed should assure compliance of Ordinance 808 under the use permit requirements. Staff recommends approval.
